Solid Foundations Mathematics | Grades 1–3

Available in English, Oshindonga, Oshikwanyama, Rukwangali, Afrikaans, Thimbukushu and Setswana

Learners need mathematical knowledge and skills to solve everyday tasks and problems. The **Solid Foundations Mathematics** series contributes to the development of learners' numeracy skills, logical mathematical thinking and ability to solve problems.

Learners learn best when they are actively involved with the learning material and processes, and therefore these colourful and visually stimulating books challenge learners to enjoy and master Mathematics.

Counting, computation, measurement, data handling, geometry and problem-solving are competencies taught through playing, experiencing, exploring and challenging learners to apply their knowledge and skills.

3	Solid Foundations Religious and Moral Education TG	9789991626482

The Solid Foundations Religious and Moral Education Teacher's Guide for each grade aims at:

- ✓ preparing learners for life
- ✓ developing positive values and attitudes
- ✓ assisting in finding common values and shared approaches to life within our multi-faith society.

Creative English First Language | Grades 1-3

Creative English First Language series aims to enable Namibian learners to communicate effectively, read fluently and express their thoughts and ideas in English.

Learners are encouraged to explore and experience language in a creative manner through stories and texts that reflect the diverse cultural heritage of Namibia.

The books are presented in a modern, colourful and stimulating format, providing many opportunities for communication and social development.

Learners are actively involved in the learning process through interesting and stimulating activities, meaningful tasks and group work.

Vocabulary, phonics, spelling, reading, writing and listening are taught through interesting themes, stories, rhymes and songs. The accompanying *Readers* and *CDs* enrich the content of the books and ensure the development of learners' reading and listening skills.

Wegspring Afrikaans | Grades 1-3

Wegspring Afrikaans is a first language course for the Junior Primary Phase based on the Afrikaans First Language syllabus for Grades 1-3. This course aims at enabling Namibian learners to communicate effectively, read fluently and express their thoughts and ideas. Learners are encouraged to explore and experience language through a variety of different types of texts. Learners can read and enjoy interesting Namibian stories that reflect the diverse cultural heritage of the country.

This course supports the learner-centred approach, which ensures optimal quality of learning through practical application. Learners are involved in the learning process by means of stimulating activities compiled to develop their thinking, writing and communication skills.

Wegspring Afrikaans course applies the thematic/integrated approach by following the Environmental Studies themes. The stories in the *Readers* link to these themes. The books provide enough opportunity to introduce cooperative learning through meaningful tasks and group work to develop learners' personal, social and communication skills.

Introducing Snappy Sounds – a great new tool for Foundation Phase Teachers (Grade 1–Grade 3) from Macmillan Education South Africa

Snappy Sounds for English First Additional Language (aka English Second Language in Namibia) is a fun, fast and effective synthetic phonics programme that teaches learners how to read and write in English.

Snappy Sounds programme helps build strong literacy foundations with engaging **CAPS-Approved** resources:

- **Core Readers**
- **Anthologies**
- **Levelled Readers**
- **Big Books**
- **Listening and Speaking Poster Packs**
- **Phonics Frieze Cards**
- **Handwriting Charts**
- **Teacher's Guides**

The *Teacher's Guides* serve as the main reference for the teachers and provide a comprehensive integration of the different components of the programme for effective delivery.

Snappy Sounds programme builds up confidence, expands vocabulary and fosters the love of reading from an early age, making learning phonics a meaningful experience for the learners.

Solid Foundations series for Senior Primary Phase

The **Solid Foundations** textbooks for Senior Primary Phase are a natural continuation of this successful series in the Junior Primary. The Grades 4–7 textbooks fully implement current curriculum for the Senior Primary Phase by building on the well-established learning foundations in the Junior Primary Phase. They develop learners' understanding, skills as well as attitudes that are essential to positively contribute to the development of the Namibian society. All textbooks in the series follow a learner-centred approach, promote gender equity, inclusive education and cross-curricular issues, and encourage collaborative learning. Our **Solid Foundations** series of textbooks will help prepare learners to successfully progress to the Junior Secondary Phase.

Our **Solid Foundations** textbooks for Senior Primary Phase:

- ✓ fully implement current curriculum for the Senior Primary Phase
- ✓ build on the learning foundations in the Junior Primary Phase
- ✓ develop learners' understanding, skills and attitudes to positively contribute to our society
- ✓ prepare learners to successfully progress to the Junior Secondary Phase!

Solid Foundations Natural Science and Health Education

| Grades 4–7

The **Solid Foundations Natural Science and Health Education** series of textbooks for the Senior Primary Phase has been specifically designed to meet the requirements of the Natural Science and Health Education syllabus.

The textbooks aim to establish basic scientific foundations for all Namibian learners, giving them confidence to pursue a career in science in future.

The series, with its core components used consistently (as guided in the *Teacher's Guide*), provides an excellent coverage of the curriculum and will equip learners with knowledge and understanding of the physical and biological world around them.

Materials for African Languages

The textbooks for African Languages are grammar series for all learners in Namibia who speak Oshikwanyama, Oshindonga, Otjiherero, Khoekhoegowab, Rukwangali, Rumanyo, Silozi and Thimbukushu as a first language.

Our series of textbooks for **African Languages**:

- are based on the Ministry of Education syllabus for local languages for Senior Primary Phase
- encourage learners to become active communicators by participating in a range of interactive and stimulating activities designed to develop their skills in reading, writing, listening and speaking in their mother tongue
- support a learner-centred approach
- reflect Namibia's diverse cultural heritage in a positive manner.
